

memories, then and now

as a child, people who taught
and inspired you:

lately, people who are teaching
and inspiring you:

as a child, one gift that
meant a lot to you:

lately, one gift that means
a lot to you:

as a child, one experience that
shaped who you are:

lately, one experience that is
shaping who you are:

one thing about your childhood that
you'd always like to remember:

one thing about this moment in your
life that you want to remember:

one thing you discovered or remembered in your writing above that's surprising or
unexpected:

one reason it's surprising or unexpected:
